TO TEST FOR AUTHENTICITY: This transcript was delivered through the eSCRIP-SAFE® Global Transcript Delivery Network. The original transcript is in electronic PDF form. The authenticity of this PDF document may be verified at scrip-safe.com. A printed copy of this transcript is not an original and is not considered to be an official transcript.

In accordance with the Family Educational Rights and Privacy Act of 1974, this transcript is released on the condition that you will not permit any other party to have access to the information contained herein without the written consent of the individual whose record it is. ALTERATION OF THIS DOCUMENT MAY BE A CRIMINAL OFFENSE!

ACADEMIC FRESH START: Students admitted under this program do not receive credit for courses taken 10 or more years before initial enrollment. Coursework and grades are displayed on the transcript but not counted in the grade-point average and semester credit hours.

ACCREDITATION: The University of Texas at San Antonio (UTSA) is fully accredited by the Southern Association of Colleges and Schools. In addition, many academic departments and schools have received national accreditation from specific agencies.

COURSE NUMBERING SYSTEM: Prior to fall 1975, The University of Texas at San Antonio used a three-digit course number; the first digit indicated level, and the last digit indicated credit hour value. During this time The University offered only graduate-level courses, which were numbered 500 through 699. In the fall of 1975, courses were designated by a four-digit number following a two or three-letter abbreviation of the subject. The first digit indicates the level of the course. All courses with a first digit of 0 are developmental educational courses; 1 or 2 are lower division courses; 3 or 4 are upper division courses. Course numbers starting with a 5, 6, or 7 are graduate courses. The second and third digits are used within the subject fields to distinguish individual courses. The fourth digit indicates the semester credit hour value of the course. The University of Texas at San Antonio only awards semester credit hours.

DEAN'S LIST, PRESIDENT'S LIST AND HONOR ROLL (undergraduate only): Beginning in the Fall 2003 Semester, Dean's List and Honor Roll distinctions are posted on transcripts. President's List distinctions are posted beginning with the Fall 2005 Semester.

GRADE-POINT CALCULATION: GPA calculations on transcripts generated after February 1, 2000, do not round up. Before that time, the grade-point averages were rounded up 1 one-hundredth of a point. The cumulative GPA reflected on the computer-generated transcript only reflects UTSA coursework. Transferred coursework is not included in the cumulative GPA listed on this transcript.

TEC 51.907, effective Fall 2007, states first time undergraduates may not drop more than 6 courses. "X" means exempt from TEC 51.907.

TEXAS SUCCESS INITIATIVE (TSI) - formerly Texas Academic Skills Program (TASP): This is a state-legislated program designed to improve student success in college. This transcript includes the status of the skill areas of reading, mathematics, and writing.

UT TELECAMPUS: This is a student support center for online courses from The University of Texas System and its component campuses. Students who are in a UTSA-hosted degree program through the UT TeleCampus and declare UTSA as their home institution will have the courses taken at other institutions through the UT TeleCampus listed on their UTSA transcript and counted in their UTSA grade point average. Other credit courses taken through the TeleCampus count as transfer credit and apply to a UTSA degree as determined by the student's academic advisor.
